Dear Carlos

As you know, hurricane Maria hit Puerto Rico on September 20, 2017 destroying the island's electrical system and as of today there are many offices including the Trust office and houses without power. To answer your communication we invite you to meet at our offices next December 7, 2017 to discuss the pending discovery matters as to the jurisdictional issue by reason of our Motion to Dismiss for lack of Subject Matter Jurisdiction as per the recent decision rendered by the U S Supreme Court.
